

STATE OF WASHINGTON  
DEPARTMENT OF HEALTH  
MEDICAL QUALITY ASSURANCE COMMISSION  
PO Box 47866, Olympia, WA 98504-7866

Dear Colleague,

The Medical Quality Assurance Commission (Medical Commission) recognizes the importance of having accurate information about physicians licensed in our state. To ensure Washington citizens continue to enjoy high quality health care in the future, the Washington State legislature mandated that the Medical Commission collect physician demographic data.

The Medical Commission will use the information collected to enhance our understanding of Washington physician practice settings and medical specialties, including board certifications. The information collected will also be shared, and play a vital role in federal and state physician workforce planning efforts for Washington citizens.

Please take a moment to complete the enclosed demographic survey and return it with your renewal. If you have questions about the survey, contact information is listed on the survey form.

Sincerely,

*Mimi Pattison, M.D.*  
Mimi Pattison, MD, FAAHPM, Chair

*Richard D. Brantner, MD*  
Richard Brantner, MD, FAAEM, 1<sup>st</sup> vice chair

*W E Gotthold, MD*  
William Gotthold, MD, FACEP, 2<sup>nd</sup> vice chair

Enclosure
